Beauty Encounter Donates to Working Wardrobes!

Last week we donated [skincare](#) products, [makeup](#) products and [handbags](#) to [Working Wardrobes](#). This amazing Orange County organization empowers men, women and young adults in crises to confidently enter the workforce with career development and wardrobing services. Each year they serve over 5,000 clients from a wide spectrum of backgrounds including Welfare-to-Work, alcohol and substance abuse, domestic violence, transitional homelessness, catastrophic illness and other life crises.

You too can contribute to this amazing organization! There is a great need for clothing and accessories for the people they serve. They ask that clothing donations are in excellent condition, stylish and ready to wear by their clients. To find out what the guidelines are for donating and other ways you can contribute, please visit their website at <http://www.workingwardrobes.org/>.

The following is a picture of the large palette of products we donated!
