WORK!

Your plus size clothing donations will get our clients back to work.

Welcome to **Curves Work!** A plus size clothing drive to benefit Working Wardrobes clients.

Over 60% of the clients served by Working Wardrobes are plus size, yet most of the professional clothing donations we receive aren't.

We want each and every one of the men, women, young adults, and Veterans we serve to feel great on the inside and look great on the outside, so they can nail their job interviews and get back to work!

The amazing **Ashley Nell Tipton**, plus size fashion designer and winner of *Project Runway Season 14*, has generously lent her support to our campaign. Ashley's positive mental and physical image serves as inspiration to our clients who are on their own self-improvement journeys, to find their inner confidence and achieve self-sufficiency.

You can help.

Ashley Nell Tipton, Fashion Designer and *Project Runway Season 14* Winner
