

Dear Friend of Working Wardrobes,

We are excited to announce Working Wardrobes' annual gala, which will take place on Saturday, September 24<sup>th</sup> at the Bowers Museum in Santa Ana. The event will raise money for our *Rebuilding Careers* program, which offers a comprehensive and effective range of career development services and linkages to supportive services to assist low-income unemployed and underemployed individuals. This event will assist our clients in their journeys to find and maintain employment in high-demand, higher-wage occupations, avoid poverty and homelessness, afford the high cost of living in Orange County, and achieve self-sufficiency and success. **We invite you, our local business partners, to join us in our fundraising efforts by donating an item to our auction.**

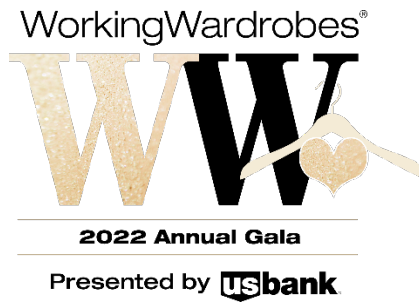

Working Wardrobes is a 501(c)(3) non-profit organization committed to assisting men, women, young adults, seniors, and veterans achieve the Power of a Paycheck. Since 1990, we have been making a mark in our local community. Today, many individuals have been affected by the unexpected job loss that resulted from the COVID-19 pandemic and we're ready to do everything in our power to provide our workforce readiness services and restore the dignity of work to those in need.

To keep our mission alive, we ask you to consider donating to our auction. If you're able to contribute, your business will be highlighted in our program and throughout the evening of the event.

**Auction Item Request:** Please consider donating items such as vacation stays, one-of-a-kind experiences, gift cards or certificates, personal and professional services, and unique gift items. Donated items may be added to a themed package and decorated in event theme colors but will showcase your company at the gala. The donations generated from our auction make up a significant portion of funds raised at this event.

We hope you will consider contributing to the impact that Working Wardrobes makes in our local community. For more information, please call (714) 210-2460 or email [DevelopmentTeam@workingwardrobes.org](mailto:DevelopmentTeam@workingwardrobes.org).
